## As a newcomer your benefits of becoming a volunteer...

### You can

- Learn about your community and what it has to offer
- Develop your language skills
- Create practical work experience
- Enhance your self esteem
- Enjoy the feeling of making a contribution
- Meet people and build new relationships

### Join us!

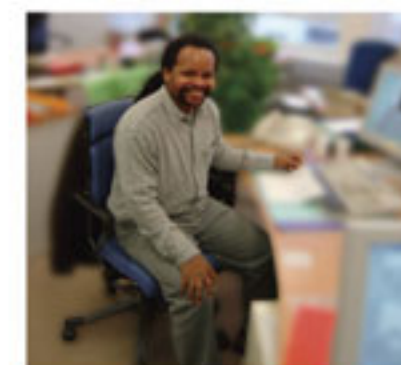

Canadian volunteers... help out and participate in their place of worship, children's schools, in sports, with youth, in arts & culture and in their community health centers such as senior's homes.
