**Volunteer with Girl Guides and unleash her potential.**

Imagine a place where you can spark extraordinary moments for girls in your community. As a Girl Guide volunteer, you'll inspire girls and be their mentor as they explore new challenges, develop ready-for-anything skills and empower each other along the way. Picture all of the fun, adventure and confidence-building moments – that's what you'll help create for girls, and for yourself, too.

**As a Girl Guide volunteer, you'll change their world – and your own.**

## The impact you'll make as a volunteer – for yourself and for girls

There are so many rewards to volunteering with Guiding:

- Have a profound impact on girls in your community as you help them unleash their potential
- Develop highly transferrable and LinkedIn-worthy skills
- Connect with other amazing women as you volunteer together
- Access to member-only training, special [events](#) and [scholarships](#)

## Ways to Volunteer

Most of our volunteers work with Girl Guide groups in their community, facilitating empowering, hands-on activities for girls. As a Unit Guider, you can spark extraordinary opportunities that help girls build skills, confidence – and have fun!

There are also other volunteering opportunities that support Guiding, such as assisting at special events or camps, serving as a Treasurer or a specialized adviser, or joining Link (up to age 30) or Trefoil Guild (women 30+).

## How to get started:

1. **Application.** Complete the online registration form.
2. **Interview.** You'll participate in an interview to learn more about Guiding and find the right volunteering fit.
3. **References and background check.** You'll complete online police records and reference checks.
